

## **Photography Policy & Fees**

Chenault Vineyards has some of the most breathtaking views in Kentucky. It is a popular and well-loved area for photoshoots of all kinds- family sessions, senior portraits, engagements, “just because” and so much more. It is now a requirement of Chenault Vineyards that you purchase one of the following Photo Passes. The fees from these passes will be used towards to maintenance of our grounds, as well as keeping our vines in the best shape possible for the back drops of all your important milestones.

All photographers will be responsible for the purchase, collection, and registration of the photo passes. Photographers will be required to check-in at the Welcome Center prior to their shoot at Chenault Vineyards and will be able to use our grounds during operating hours. You will receive a photo pass lanyard to distinguish yourself to our staff so that there are no interruptions during your session. We appreciate your understanding of this new policy and look forward to seeing all of your wonderful images. We also ask that you tag Chenault Vineyards on all available social medias and by signing below any photos taken on the property are available for marketing uses and the photographer will be credited for their work.
